## Education

Indian Institute of Technology, Kharagpur

December 2020 – May 2025

Integrated Dual Degree (B.Tech + M.Tech) in Mining Engineering

CGPA: 8.03

## Relevant Coursework

- Business Analytics
- Machine Learning
- Probability and Statistics
- Introduction to Finance
- Data Visualization
- Linear Regression
- DBMS
- Entrepreneurship

## Experience

Songdew Media Private Limited

May 2025 – Present

Product Intern

Gurugram, Haryana

- Revamped **EPK module**, the lowest-engagement feature, driving **65%** of new registering users to complete profiles
- Built **AI-driven onboarding** personalizing user experience across modules and boosting user engagement by **30%**
- Engineered **fraud-detection pipeline**, cutting daily fake, bot and other illicit account registrations from **60% to 5%**
- Launched targeted **email campaign** for EPK module, lifting meaningful profile creation and completion rate by **40%**

## Beyond Career

April 2025 – April 2026

Founding Member & Growth Lead

Gurugram, Haryana

- Drove **sales pipeline growth** via **60+** college workshops **40+** webinars, optimizing **LVR** and **conversion rates**
- Reduced **CAC by 15%** via multi-channel resource allocation, optimizing **CPA** across all demand generation channels
- Grew qualified lead volume by **150%** through structured outreach campaigns, ensuring a strong scalable sales pipeline
- Led **growth analytics** tracking user funnel via **SQL** improving customer conversion rate by **45%** through data insights

## Projects

Healthcare Equity Data Exploration | *PowerBI, SQL, Python*

January 2023 – February 2023

- Analyzed **4000-row dataset** extracting metrics like **pay equity** across **2585 hospitals** in **5 states** using **SQL**
- Created **PowerBI dashboard** with **15 visualizations** enabling data-driven decisions on equity and inclusivity
- Identified **87% hospitals** as non-profit via statistical analysis highlighting trends in community benefit patterns

Automated Trading Performance Analysis | *Python, APIs, Data Analytics*

September 2023 – October 2023

- Engineered **automated data pipeline** processing **10,000+ price points daily** using **Python** and **yfinance API**
- Executed SMA strategy analyzing **50/200-day averages** generating buy/sell signals at **85% accuracy** via backtesting
- Optimized **API requests** reducing latency by **40%** and ensuring **95% uptime** through efficient error handling

## Technical Skills

**Product & Growth:** Product Analytics, User Funnel Analysis, Cohort Analysis, Feature Experimentation, Growth Metrics, KPIs

**Tools & Platforms:** Jira, Notion, Figma, Git, Google Workspace, HubSpot, Firebase, PowerBI, Tableau, Google Analytics, Mixpanel, Amplitude, Seaborn, Matplotlib, Excel, API Integration

## Competition/ Achievements

Product Design General Championship | *GOLD*

March 2024 – April 2024

- Secured **1st position** among **15+ teams** in the Inter-hall Product Design competition for Pharmaceuticals
- Ideated TIMETINT, a color-changing label for pharmaceuticals, reducing expired medicine use by **60%** for safety

Gender Bias Detection | *Open IIT Data Analytics, IIT Kharagpur*

October 2022 – November 2022

- Secured **2nd Place** out of participating **67 teams** in the **Open IIT Data Analytics** using advanced NLP skills
- Developed **ML model** using **BERT, ANN and RNN** to identify biasness in **2000+** sentences with **92%** accuracy
- Inferred actionable insights from high-dimensional text data, demonstrating superior analytical and strategic skill

Product Design Open IIT | *IIT Kharagpur*

October 2022

- Developed **Smart Knee Brace** addressing **30 Crore** user market, combining advanced features for functionality
- Optimized production cost by **49.7%** through rigorous market research and material analysis for pocket friendliness
- Improved product robustness by **36%** by optimizing **power-to-weight** ratio to **7:2** for better mobility and design

## POSITIONS OF RESPONSIBILITY

- Nominated by **SWG** to mentor **10 freshers** facilitating transition as primary student support for academic success
- Headed the **silver-winning** short film team managing logistics and creative direction for **General Championship**
- Strategically managed team of **21 athletes** as **Team Captain** aligning training with goals resulting in bronze medal
